The Fenton Village Players is a Non-profit 501c(3) organization and all contributions are tax-deductible.

Time and again Fenton Village Players (FVP) has offered professional quality theatre to the community. As a member in the area's cultural environment, FVP regularly provides entertainment to over 5,000 participants (and growing), with nearly 50 performances, special events, and community appearances. Driven by the passion and energy of its volunteers, FVP brings together hundreds of community residents to create quality entertainment and moving arts experiences. In 2016, we presented *To Kill a Mockingbird* to 350 students from area schools.

Sponsoring the FVP season offers many benefits:

- The easiest benefit to identify is the exposure that your business receives from program advertising, performance announcements, and recognition in printed materials, which reach FVP patrons and the general community.
- Perhaps as important to your business is your choice to support FVP which demonstrates your commitment to our community and will be seen by audience members and volunteers as an endorsement of local arts activities that enrich the fabric of our area.
- We work to provide high-quality entertainment while keeping ticket prices at an affordable level; however, the costs for each FVP production cannot be covered through ticket sales alone. Your support will help us to continue to provide the community with this staple of entertainment at an affordable cost.
- With generous support from sponsors, advertisers and individual donors, the future of community theatre and this treasured facility are maintained and protected. We hope that you will consider supporting the Fenton Village Players!

Please see the enclosed packet for specific sponsorship information. Our marketing team would like to contact you soon. If you have any questions, please contact our office at **(810)-750-7700** or at **office@fentontheatre.org**. We very much appreciate our community partners and hope to count you among them soon!

Thank you and play on,
